## COSMEDICO BEST BASIC

The Cosmedico Best Basic range represents economical lamps that are good value for money.

**Cosmosun by Cosmedico** stands for the quality of a brand manufacturer.

The product range offers lamps of 25–180 W in different lengths. The UVB percentage appears in the name (e.g. Cosmosun 23 R = 2.3% UVB).

The lamps have a useful life of 600–800 hours.

### **Your success is our objective!**

We therefore maintain close contact to dealers and tanning salons, to suppliers and partners – world-wide. We research, develop and provide information. We proactively support a sound growth of the industry.

This enable us to offer products, services and concepts which ensure that our partners and customers achieve sustained success.

We are committed to the idea of providing people with vitality and quality of life. Through our many years of experience we know what we're doing and we also take responsibility for people and the environment.
