

Your success is our objective!

We therefore maintain close contact to dealers and tanning salons, to suppliers and partners – worldwide. We research, develop and provide information. We proactively support a sound growth of the industry.

This enable us to offer products, services and concepts which ensure that our partners and customers achieve sustained success.

We are committed to the idea of providing people with vitality and quality of life. Through our many years of experience we know what we're doing and we also take responsibility for people and the environment.

Global state-of-the-art production plants, a spectral laboratory in Stuttgart and cooperation with ISO-certified partners ensure the best possible quality.

**COSMEDICO
POWER**

Technical accessories for the sunbed

COSMEDICO POWER

Get the best out of your sunbeds!

Achieve unsurpassed performance with the perfectly matched components of Cosmedico.

Cosmedico offers you starters, ballasts, ignitors, lamp holders and capacitors, all optimally designed for the operation of Cosmedico tanning lamps.

For your customers, that means: pure enjoyment through safe tanning with a reliable system.

Cosmedico Cosmopower S

Ballasts for low-pressure and high-pressure lamps for all usual wattages up to 2000W.

Slim and cubic form, as well as top quality screw-in and push-in-type terminals.

Cosmedico-ballasts are available for 230 V/50Hz, 220 V/60Hz and 230 V/60Hz.

Your advantages at a glance:

- Constant level of product quality thanks to careful quality assurance
- Disruption-free operation
- Optimal utilisation of the lamp's power, thanks to the exact setting of the impedance in each ballast
- International approvals

Cosmedico-Starter

In addition to conventional starters for wattages between 25 and 180 W, Cosmedico also offers the long-life* electronic starter **Cosmedico-Cosmostart / E** (15–225 W) for professional operations.

Further accessoires:

A large selection of ignitors, capacitors and lamp holders complete the Cosmedico-Power range. Ask for our recommendations.

We are happy to advise you about the options available.
