

Your success is our objective!

We therefore maintain close contact to dealers and tanning salons, to suppliers and partners – worldwide. We research, develop and provide information. We proactively support a sound growth of the industry.

This enable us to offer products, services and concepts which ensure that our partners and customers achieve sustained success.

We are committed to the idea of providing people with vitality and quality of life. Through our many years of experience we know what we're doing and we also take responsibility for people and the environment.

Global state-of-the-art production plants, a spectral laboratory in Stuttgart and cooperation with ISO-certified partners ensure the best possible quality.

a change to your sunbed*

COSMEDICO SPECIAL

The Cosmedico Special range represents low-pressure lamps that are available with different features and in various designs and wattages. The useful life of the lamps is between 800 and 1,000 hours.

For your customers, that means: a special experience, a nice tan and pure enjoyment.

Cosmedico Duo and **Cosmedico Trio** are two-colour lamps (blue/pink) or three-colour lamps (pink/blue/green). The output of both achieves a targeted tanning. These products guarantee to capture the attention of the visitors to your salon.

Cosmedico Cosmostar, this Top of the Class Premium offer with lamps of different specifications leaves nothing to be desired. Only available from Cosmedico Cosmostar dealers!

Cosmedico Goldarium are the classic wellness lamps for a vitalising experience. They are distinguished by their high effectiveness and achieve a long-lasting tan with a gentle gold shimmer.

Cosmedico Wildline achieves a maximum tanning performance. A fluorescent material specially developed for Cosmedico Wildline enables intensive tanning in short exposure times of 9 to 13 minutes.

Cosmedico Wildline is the right lamp for sun worshippers.
